

Production Machine Learning Systems

Course Resources

Access the following PDF documents to view the lecture content for this course.
Note that documentation and resource links referenced in the videos can be accessed in these documents.

[Module 0: Introduction to Advanced Machine Learning on Google Cloud](#)

[Module 1: Architecting Production ML Systems](#)

[Module 2: Designing Adaptable ML Systems](#)

[Module 3: Designing High-Performance ML Systems](#)

[Module 4: Building Hybrid ML Systems](#)

[Module 5: Summary](#)
